Good afternoon Blad,

Reviewing those locations, they are within the Hollenbeck Division, not the Newton ones?  
Would we be able to add some locations as well?

Best,

Mark

Hi Mark - how are you?

May 22nd, both LAPD Divisions scheduled to assist.

I do not think crews will have enough time to service more locations on May 22nd. If locations you would like to add are not big, they can be added on CARE Wednesday and/or Fridays. Hope this information helps.

With best regards,

Good morning gentlemen,

Also keep in mind that when we have our teams driving long distances from one LAPD division to another, it prevents them from doing more on the field.

May 22nd & 29th are already booked for the entire day on Care + 14, those are heavy encampments that haven't been serviced in a while.

We kept the locations as close to each other as possible to try and complete all of them.

Mark, please make every effort to schedule accordingly in the future please.

Good day guys!
